A note from your Chairman of the Board...

Dear Members,

I hope you all are enjoying the summer and are able to spend some vacation time with your families. I wanted to write and bring you all up to date on what has been happening at the Credit Union the past couple of months. Many of you may already know, Jennifer Enloe has taken a President's position at another Credit Union here in town and Marla Strein has taken a position at Putnam Chevrolet in California, MO closer to her home. While we hated to see them both leave us, it is always important to put family first. We wish them both well and thank them for their valuable time here at HACU.

It is my pleasure to announce that Della Lindley has accepted the position of President. She has been with HACU for 12 years now and is very qualified to lead the Credit Union forward with experience and confidence.

We also welcomed two new loan officers, Lena Beul who came to us from Kilowatt Credit Union. Lena has worked in the Credit Union industry for more than 16 years. Lena and her husband, Luke live in Jefferson City and have four children. Lena will work with us 3 days a week until school starts and then she will work 4 days a week. Lena's hobbies include spending time with her children and being a taxi driver for them; spending time outside and traveling with her family.

Gary Stratman is our new full time loan officer who hails from Vienna, MO where he resides with his wife, Nancy of 31 years. Gary brings with him 20 years banking experience. Gary and Nancy have two adult children, Elizabeth and her husband, Devin Baysinger, who welcomed their first child, Louis in March, making the first grandchild for Gary & Nancy. Their son, Tyce is the manager of Pizza Hut in California, MO. Gary's hobbies include raising cattle and sheep and going to estate sales.

Mary Potts is our new Teller. She will be working full time until she returns to college in August and then she will work part-time as her schedule allows. Mary resides in Lohman, Mo with her parents and is a 2016 graduate of Russellville High School. She is enrolled in Lincoln University majoring in Natural Resource Management. Her hobbies include painting, drawing, spending time with family and caring for the animals on their farm.

Kaye remains with us on a part-time basis as our Member Services Rep. to assist you at the counter or answer any questions you may have. I encourage each of you to stop in at your convenience and meet the new faces of the Credit Union and also wish Della big congratulations. Thank you for choosing Highway Alliance Credit Union for all your financial needs. Please remember to let your family members know that they are eligible to become members as well and with our wide variety of products and services we are confident they will be happy they joined the HACU membership.

Thank you and enjoy your summer!

Tom Honich,

Chairman of the Board
